

14<sup>TH</sup> ANNUAL GOLF CHAMPIONSHIP  
CROASDAILE COUNTRY CLUB

**DURHAM  
SENIOR AMATEUR**

## CROASDAILE COUNTRY CLUB

Croasdaile Country Club has long been recognized for its design, practice facilities, and meticulously manicured fairways and greens. Built in 1966, the golf course at Croasdaile is ranked in the top 100 golf courses in North Carolina. The original course was designed by George Cobb, with a 2002 renovation under the guidance of architect John Lafoy. His expertise in building and renovating over 50 golf courses, including the 13th green at Augusta National, is evident across the course. Croasdaile continues to be well-known for its beautifully maintained A1-A4 bent grass greens.

Croasdaile Country Club is located in the heart of Durham, with convenient access by air and automobile. Accommodations are nearby, and at all levels of comfort. Durham is home to the Durham Bulls AAA baseball team, Duke University, and NC Central University, as well as world-renowned cuisine. Croasdaile is truly a secluded gem tucked inside a bustling city!

## *Our Mission*

Our goal is to create the premier Senior Amateur Golf Championship in the Southeast region of The United States by:

Attracting and rewarding the best amateur golfers with a tournament held on a true championship golf course in immaculate condition

Providing a truly memorable experience for all golfers, volunteers and sponsors

## *Our History*

The Durham Senior Amateur Championship was founded in 2010 by Dink Andrews of Durham, North Carolina. Since 2010, the Durham Senior Amateur has become a popular championship that attracts elite senior golfers from the southeast. The Carolina Golf Association certifies the DSA as a ranked points event with a 2 multiplier.

Local businesses and families support the DSA to promote and grow golf in the tri-state area. This financial support along with our cadre of volunteers assure a bright future for the DSA in Durham.
